Dear Friend,

Debbie's Dream Foundation: Curing Stomach Cancer (DDF) is hosting our sixth annual **Stomach Cancer Capitol Hill Advocacy Day** on February 27, 2018. DDF patients, families, caregivers, and advocates from across the nation will travel to Capitol Hill to ask Congress to increase federal research funding for stomach cancer. Preventing deaths from stomach cancer relies on research that will lead to better screening tools, treatments, and, hopefully someday, cures. Our advocates are committed and passionate, and as a direct result of our advocacy efforts in Fiscal Year 2015, for the first time stomach cancer was eligible for research funding under the Department of Defense's Peer Reviewed Cancer Research Program (PRCRP). While this is a tremendous legislative success, we still have much more to do and need your support.

In 2008 I was diagnosed with Stage IV advanced, incurable stomach cancer. My chance of being alive in five years was only four percent. There were no resources available for stomach cancer patients. There were – and still are – few treatment options for this devastating disease, and no progress has been made in survival rates.

While fighting for my life, I have also been trying to educate the public and help other stomach cancer patients change their odds. In 2009 I founded DDF, a 501(c)(3) non-profit organization dedicated to raising awareness about stomach cancer, advancing funding for research, and providing education and support internationally to patients, families, and caregivers. DDF seeks as its ultimate goal to make the cure for stomach cancer a reality.

We ask you to please assure the success of our sixth annual Capitol Hill Advocacy Day event by generously becoming a sponsor. Attached are the Sponsorship Levels for your review. For further information about this event and to find out about the extraordinary difference DDF is making, please visit our website at www.DebbiesDream.org.

Thank you in advance for your support!

With sincere appreciation,

Debra L. Zelman, Esq.
President and Founder
