

Welcome from the Chair

Anne M. Noonan, MBBChBAO, MSc
Section Chief, Gastrointestinal Medical
Oncology,
The Ohio State University James Cancer
Hospital and Solove Research Institute

The James

THE OHIO STATE UNIVERSITY
WEXNER MEDICAL CENTER

Debbie's Dream Foundation Gastroesophageal Educational Symposium

The James

THE OHIO STATE UNIVERSITY
WEXNER MEDICAL CENTER

Creating a cancer-free world. One person, one discovery at a time.

Gastric and Esophageal Cancers

- In 2020 it is predicted there will be 27,600 new cases of gastric cancer and 18,440 new cases of esophageal cancer in the USA
- Gastric and esophageal cancers can have significant impact on quality of life
- Fortunately, recent advances in treatments are leading to improved outcomes
- Multidisciplinary cancer care team at The Ohio State University provides comprehensive treatment, supportive care and rehabilitation for patients with gastric and esophageal cancers

The James

Esophageal Surgery

- Dr Robert Merritt will present on the latest techniques for esophageal cancer surgery
- <https://medicine.osu.edu/sitecore/content/wexnermedical/home/departments/surgery/team/faculty/thoracic>

The James
