Dear Friend,

Debbie's Dream Foundation: Curing Stomach Cancer (DDF) is hosting the 1st Collaborative Golf Tournament in partnership with the Broward County Medical Association Foundation (BCMAF) on Friday, April 23, 2021, at the Jacaranda Golf Club in Plantation, Florida. The BCMAF's mission is to promote the integrity of patient care and public health for doctors in Broward County. Debbie's Dream Foundation is honored to be co-hosting this event with this local community partner.

Debbie Zelman founded DDF in 2009, just one year after she was diagnosed with Stage IV advanced incurable stomach cancer when she was only forty years old. When Debbie was diagnosed, her chance of being alive in five years was only four percent. There were – and still are – few treatment options for this devastating disease and no progress has been made in survival rates.

DDF is the only organization that offers free education, support, and mentoring to stomach cancer patients, families, and caregivers. DDF is a 501(c)(3) non-profit organization dedicated to raising awareness about stomach cancer, advancing funding for research, and providing education and support internationally to patients, families, and caregivers. DDF seeks as its ultimate goal to make the cure for stomach cancer a reality.

We ask you to ensure the success of our event by generously becoming a sponsor or donating a raffle item. Attached are the Sponsorship Levels, Raffle Item Donation Form, and the Commitment Form for your consideration. For more information about this event and to find out about the extraordinary difference DDF is making, please visit our website at www.DebbiesDream.org.

Thank you in advance for your support of Debbie's Dream Foundation: Curing Stomach Cancer and Broward County Medical Association Foundation (BCMAF).

With sincere appreciation,

Jonathan Perrillo
