Dear Friend,

Dream Foundation: Curing Stomach Cancer (DDF) is hosting its **2022 Legacy Brunch** on Sunday, December 4, 2022, at The Broward Center for the Performing Arts (Huizenga Pavilion) in Fort Lauderdale, Florida. Debbie Zelman founded DDF in 2009, just one year after she was diagnosed with Stage IV advanced, incurable stomach cancer. When Debbie was diagnosed, her chance of being alive in five years was only four percent. Debbie passed away on December 23, 2017, at the age of 50, almost a decade later. DDF continues to carry out Debbie's legacy to ensure that research remains a priority to increase the survival rates for this devastating disease.

DDF is the only organization that advocates for stomach cancer and provides free education and support/mentoring to stomach cancer patients, families, and caregivers. DDF is a 501(c)(3) non-profit organization dedicated to raising awareness about stomach cancer, advancing funding for research, and providing education and support internationally to patients, families, and caregivers. DDF seeks as its ultimate goal to make the cure for stomach cancer a reality.

We ask you to assure the success of our event by generously becoming an individual or corporate sponsor. Attached are the Sponsorship Levels and the Commitment Form for your consideration. In addition, we greatly appreciate donations of products and/or services for our auction. Our Auction In-Kind Donation Form is also attached. For further information about this event and to find out about the extraordinary difference DDF is making, please visit our website at [www.DebbiesDream.org](http://www.DebbiesDream.org).

Thank you in advance for supporting Debbie's Dream Foundation: Curing Stomach Cancer.
