Dear Friend,

Debbie's Dream Foundation: Curing Stomach Cancer (DDF) is hosting our 12th annual ***Stomach Cancer Capitol Hill Advocacy Day*** on February 5<sup>th</sup> – 6<sup>th</sup>, 2024 and 2nd Annual ***Stomach Cancer Advocate Retreat*** on February 7th, 2024. DDF patients, families, caregivers, and advocates from across the nation will travel to Washington, DC, to fight for increased stomach cancer research funding. The programming will include two days of training and discussions on relevant issues relating to research, interactive activities, meals, and more. At this retreat, patients, caregivers, and families will meet others like them and their PREP mentors to share their cancer journey. The event's purpose is to provide patients and caregivers a sense of togetherness and to unite the stomach cancer community to come together as one voice to make a more significant impact.

DDF is the only organization that advocates for stomach cancer and provides free education and support/mentoring to stomach cancer patients, families, and caregivers. DDF is a 501(c)(3) non-profit organization dedicated to raising awareness about stomach cancer, advancing research funding, and providing international education and support to patients, families, and caregivers. DDF seeks as its ultimate goal to make the cure for stomach cancer a reality.

We ask you to assure the success of our event by generously becoming an individual or corporate sponsor. Attached are the Sponsorship Levels and Commitment Form for your consideration. For further information about this event and to find out about the extraordinary difference DDF is making, please visit our website at [www.DebbiesDream.org](http://www.DebbiesDream.org).

With sincere appreciation,
